SINGLES AVAILABLE FOR COMMUNITY SERVICE

June 2010

## Ms. Prez says....

May has been a very busy month with many great opportunities for SACS members to donate their time. Some members had a function every weekend. Now many of us have an entire wardrobe of new T-shirts. The fun continues in June. Please participate in one of the events.

It is great to see we have added several new members this year. Welcome to our world! If you know anyone who might be interested in what we are doing in our community please invite them to attend a meeting. Recently a couple of new members let us know that SACS is just the activity they were needing to meet new people and have a fabulous time. Spread the word about SACS and watch us grow.

At the May meeting the election of officers was a topic of conversation. We have several terrific members nominated. However, we can continue to take nominations in June. The actual elections will take place in July so there is still time for you to throw your hat into the ring. The new officers will take over in August.

A big thank you to Sherry Bircherm for opening her home to us and cooking absolutely fantastic brisket for our April Folding Party. This was one of the largest folding parties that we have had this year. See you at the next meeting! As always, SACS is great if you participate!

—Jill

# Mayfest by Danny Jackson, Coordinator

Chip's observation that it never rains on Thursday night of Mayfest held true again this year (although I think having my umbrella with me instead of in the car helped also). SACS had two prime locations this year, handling beer sales both in Bartlett Square and on the Williams Green.

Beside enjoying the music, we all had great fun interacting with all the people who showed up in spite of the cloudy weather. We enjoyed the food, toured the vendors, and had a great time visiting with each other and seeing other SACS members there for the event.

Helping out were Connie H., Ken H, Janelle W., Valerie J., Steve K., Mike R., James C. and Danny J. I look forward to this event every year as Mayfest has come to rely upon us to always work the first evening

**Bixby BBQ & Music Festival by Jill Kennedy, Coordinator**

The weather could not have been more perfect for the Bixby Blues and BBQ. Nothing beats the smells of good BBQ cooking on the grills. The music was great and several different bands entertained us. SACS members volunteered in many different areas, including Volunteer check-in, selling tickets and selling beer.

I think Max M gets the award for the longest shift. Don't know how it happened but he worked all afternoon and all evening without a break. Others were Shirley C., Barbara H., Valerie C, Gail M, Steve K., Connie H., Roy B., Gayle P, Ken H., Terry B, Phyllis F., and Jill K. Hope I didn't leave anyone out. If you missed out on purchasing the \$5 tasting kits you missed a delicious treat and what a bargain! All the work and fun was done to help the Rotary Club of Bixby who sponsored the charity event.

Sorry, for love nor money could I get this to  
finalize or even print with the Crawfest or the Bixby BBQ pics.  
Please use a camera for anything you submit  
until I figure this out. Editor
